

Tyler W. Gray, MS

(303)919-4226 tyler.gray@cuanschutz.edu Aurora, CO 80011

PROFILE

PhD candidate with expertise in translational research, sterile oncology IV preparation, IND & grant application drafting, product development, AI and LLM systems, B2B sales, regulatory awareness. Skilled in healthcare education, USP 797/800 standards, cross-functional clinician and IT team collaboration, stakeholder relationship-building, data-driven insights implementation, and process optimization. Proficient in Salesforce, Microsoft Office Suite, EPIC HER, Pyxis ES, Medstation4000, ePRN. Exceptional leader and passionate communicator eager to engage key opinion leaders (KOLs), deliver medical insights, and advance pharmaceutical R&D.

EXPERIENCE

Pharmacy

Automation Systems Coordinator & Technician

UCHealth Anschutz Medical Campus / 2021 – 2023

- Trained pharmacists, nurses, and clinical staff on automated dispensing systems and medication workflow processes in a large academic hospital environment.
- Managed hospital-wide automated dispensing infrastructure for inpatient pharmacy operations and medication distribution systems.
- Coordinated software updates, system maintenance, and technology integrations across pharmacy and clinical departments.
- Monitored system performance metrics and implemented process improvements for medication safety and regulatory compliance.
- Lead troubleshooting and system optimization for Pyxis ES and Medstation platforms, improving medication access efficiency and minimizing dispensing errors.

Retail Pharmacy Technician

Kroger Pharmacy / 2008 - 2012

- Maintained pharmacy records and inventory and organized medications for dispensing.
- Interpreted and input medication orders and prescriptions in a high demand retail pharmacy setting.

Sales

Founder/CEO

Krush Productions Cultivation / 2014 – 2019

- Provide supervision and industry focused management skills to a team of 15+ employees.
- Strong focus on establishing B2B sales loyalty and customer satisfaction.
- Oversee operations with analysis of quarterly projections for new and existing clients based on standard operating procedure.

Real Estate Broker Associate

Shorewood / 2011 – 2021

- Prepare representation contracts, create purchase agreements, closing statements, leases, and deeds.
- Accompany buyers during visits to and inspections of the property, advising on the suitability and value based on current market conditions.
- Advise sellers on increasing home valuation with market comparisons.
